Allied's Creative Factoring Solutions Give Your Customers the Wings to Fly.

At Allied, we partner with bankers, brokers and all types of intermediaries to create a win-win situation for your customers and prospects. A partnership with Allied provides you an alternative financing source to offer your customers or prospects who could not otherwise receive financing. When your clients need working capital that you're not able to provide, let Allied's innovative factoring solutions be the wings they need to help them fly.

Transforming Your Options with Our Unique Funding Solutions

"As a national commercial finance and tax resolution consulting firm, we have been working closely with Allied Affiliated Funding for over ten years as the best source of working capital and cash flow solutions on behalf of our corporate clients. When these clients, from a wide range of industries, are in need of immediate cash through factoring of accounts receivable, our first option is always Allied Affiliated Funding. Their professional approach, timely response and intense desire to assist our clients are just a few reasons why we continue to work in concert with Allied as a valued financial partner and a good friend."

Richard London, President, Allied Financial Group, Inc., Upland, CA

If you come across a business that is positioned for growth, but one that lacks sufficient funding to realize its full potential, our factoring services could be their funding solution. Let Allied Affiliated Funding transform your options.

Allied's Ideal Client Profile:

- Commercial Businesses with Commercial Accounts Receivable
- Annual Sales Ranging from \$1 Million to \$60 Million
- Businesses Generating Between \$100,000 to \$5 Million per Month in Invoices
- Minimum Invoice Size of \$500
- Lack of Availability to Traditional Bank Financing Products
- Good Quality Products or Services and Well Rated Debtors
- Quality and Diversification in Accounts Receivable
- Growing, Transitional or Restructuring Companies

Allied Clients May:

- Have Negative Net Worth
- Have Operational Losses or Inconsistent Earnings
- Have Seasonal Needs
- Be Highly Leveraged
- Maintain High Customer Concentrations
- Have Financially Strong Single Account Debtors
- Experience Tax Problems or Liens
- Be in, or Going into Bankruptcy (DIP Financing)

About Us

For 19 years, Allied Affiliated Funding has specialized in offering creative and flexible accounts receivable factoring solutions for clients big and small. Today, Allied is one of the most highly respected, longest tenured factoring companies in the industry. Allied is headquartered in Dallas, Texas with additional sales offices located in Louisiana, Alabama, Pennsylvania and New York.

Our emphasis on customer satisfaction, ethical business practices and operational excellence – including the development of Six Sigma processes – has propelled Allied to a leadership position in the factoring industry.

To further that leadership role, we have joined the world of Social Media. RSS to our Blog at www.FundingByAllied.com/blog for insight on our recent fundings, factoring and industry news. You can also find us now on [Linked in](#) and [facebook](#). Come check us out!

Our Clients Say It Best...

"Allied has supported our rapid growth with flexible, responsive, and efficient working capital solutions. Their people are extraordinary, and they interface very efficiently and cooperatively with our staff; they practice continual improvement, and their services have enabled us to avoid adding additional accounts receivable staff as we have grown."

CEO, Integrated Risk Management Services, Houston, TX
